

# ALBATROSS INTERCLUB 2026

# WELCOME

We extend a warm welcome to all divers, coaches and supporters who are attending the 30<sup>th</sup> Albatross Interclub 2026.

This event was a firm fixture in the diving calendar up until the closure of Albatross' old Central Pool in 2017 and we are now excited to build on the successful event last year.

The event's standard is aimed at Skills divers with most of the divers in their early stages of their competitive journey – for some this being their first competitive event.

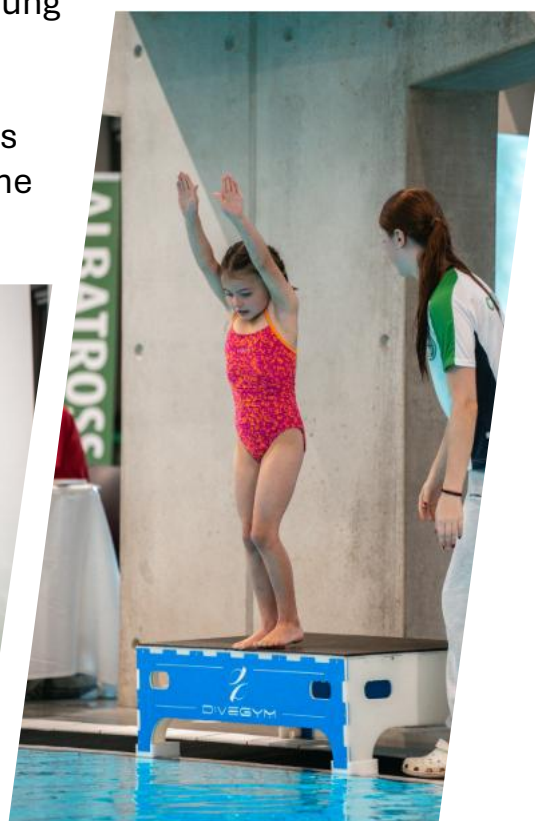

We wish every diver the best of luck and hope they enjoy the event.

## Albatross Diving Club

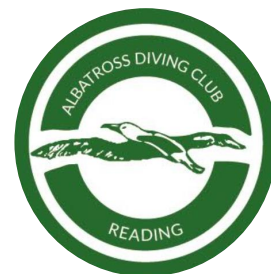

For those visiting Albatross Diving Club for the first time, we have been established since 1978.

We have a proud history of success at National club events and even Chris Mears, Olympic Gold Medallist, competed at the club at a young age.

With the transition to our new pool, Albatross was awarded Swim England Diving Club of the Year in 2024.

# SAFETY NOTICE

## PHOTOGRAPHY:

Please note that the Leisure Centre does not allow photography by the public at the pool. Albatross have hired a professional photographer to capture divers at their best. Photos can be viewed in the foyer.

## BALCONY SAFETY:

Please do not lean over the balcony, or hold drinks or other items (e.g. phones/sunglasses) over the balcony. Please also ensure all divers are dry before they enter the balcony to avoid the floor getting slippery.

## FIRE EXITS:

There is no fire alarm test due during the event. *On hearing the alarm please wait for instructions from the pool and/or leisure centre staff.* There are fire exits on the spectator balcony and also on poolside.

## COURTESY:

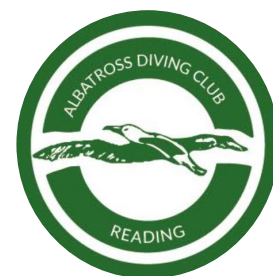

We greatly appreciate the help and support provided by the pool management at this event and in return we would like to make their jobs easier.

Please respect the pool's safety rules and keep the balcony tidy by putting all rubbish in the provided bins. Please also keep all Fire Exits and hallways clear of bags.

## SECURITY:

All valuables and personal belongings are the responsibility of the diver. No bags should be left in the changing rooms, hallways or poolside. Lockers are available in the changing rooms and require a £1 coin.

# COMPETITION GUIDELINES

This Interclub competition is designed to support Skills divers at the beginning of their competitive journey.

The rules are as follows for the following categories:

## Girls & Open Groups E, D, & C 8-13 years (separate events)

Any 4 dives from at least 2 different Groups	1m/3m/5m	Diving difficulty (d.d.)

Presentations Group A & B

---

**Expected Finish Time 8.15 pm**

# MERCHANDISE

Albatross Diving Club is a small, not-for-profit run club. Any proceeds from today will be used to create a stronger club where we can create positive and fulfilling opportunities for our divers and to run future guest events like today which benefit the wider diving community.

## Interclub Towel

Fancy something to remember the event that you can use at every future diving session?

Have a look at our fun diving towels. They are half micro-fibre half cotton, so that divers can dry quickly but also wrap up warm on the poolside.

## Photography

Photos will be taken throughout the day by **DE Photo** and can be purchased in the foyer.

The DE Photo logo features a stylized camera lens and the text 'DE photo'. Next to it is a photograph of a woman with long brown hair, wearing a white shirt, holding a professional camera with a large lens up to her eye.

**PHOTOGRAPHY**

DE Photo have been appointed **OFFICIAL PHOTOGRAPHERS** for this event

## Pre-Ordered Event T-Shirt

T-shirts that were pre-ordered can be collected at the entrance desk which is at the bottom of the staircase.

If you missed pre-ordering you can order on the day for £22 + £3 postage. Just enquire at the front desk.

**EAT  
SLEEP  
DIVE  
REPEAT**

**HOODIES**

**£27**

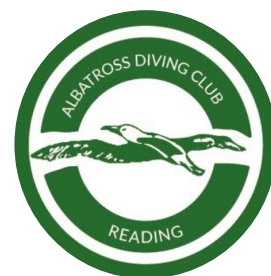

ONE  
HOODIE

**£50**

TWO  
HOODIES

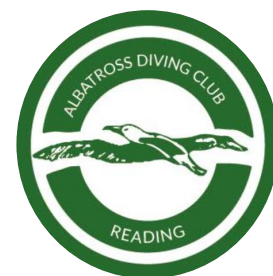

# EVENT 1

Group E - Girls		
1	Georgie Rogers	TWDC
2	Reva Chhaya	TWDC
3	Misha Colton	ADCR
4	Clio Rubino	CDT
5	Abbie Lees-Earl	HCDC
6	Aria Trocjuka	STAR
